Career Objective

I am looking for an entry-level position to kickstart my career. I wish to work in a dynamic organization that will contribute to my professional and personal growth while I contribute to the growth of the company as well as engage in opportunities to further the company's goals.

Education

Qualification	Name of Institute	Year	Percentage/ Cgpa
B.Tech (CSE-AI)	Pbrvits ,Kavali	2021-2025	9.2 Cgpa
Intermediate	Sri Srinivasa Junior College ,Kavali	2019-2021	94.8%
Matriculation	Kakatiya E.M. High School	2018-2019	9.2 Cgpa

Projects

Mar2024-July 2024

Virat Kohli Details,Visvotsav Event project (POWER BI)

- Designed and developed an interactive Power BI dashboard to showcase key statistics and insights about Virat Kohli's career, leveraging data visualization techniques to engage users.

Jan2024-Feb 2024

Find The Case -Python With ML(Tkinter)

- Developed a government site update project that securely stores data in both a government database and an OS folder for client access, ensuring efficient data management and retrieval.

Jan 2023 – Feb 2023

SandhaniQuiz App, SPV Foodie App – Java (Android Studio)

- Developed two Android applications: *SandhaniQuiz*, an interactive quiz app for enhancing learning through dynamic question sets, and *SPV Foodie*, a food delivery app providing a seamless user experience with real-time order tracking and browsing.

Apr 2022-Dec 2023

Web Developer

- As a Web Developer, I built and managed several key websites: alexaboys.netlify.app for B.Tech study materials, pbrvits.netlify.app for a college, summerfruit.netlify.app for fruit e-commerce, and visvotsav.in for the Visvotsav 2K24 event, each tailored to specific needs and showcasing modern web design and functionality.

Jan-2022

Management Projects (Advanced Java With Backend)

- Developed comprehensive management systems, including Student, Employee, and Supermarket Management Projects, utilizing Advanced Java and robust backend solutions to streamline data management and operational efficiency.

Languages

- English, Telugu, Hindi, Urdu

Positions and Responsibilities held

- Held various educational roles, including conducting webinar tutorials for three batches on Web Designing, leading a Python Programming tutorial for one batch, and delivering offline Web Designing courses at PBRVITS Engineering. [Link to Achievements](#)

Management And Events

- Organized and served as the main coordinator for several events, including a Fresher Party, two CSE Day events, and two Visvotsav College Day events. Additionally, created the website for the Visvotsav event, accessible at <https://visvotsav.in/>.
